

# CENTRAL MIDDLE SCHOOL

## Grade 8 French Immersion Supply List – 2023-24

Students need something to write with, something to write on, and a way to organize their work.

Student work will be submitted to teachers in duotangs (Some core subjects and exploratories). Students can use notebooks or lined paper for their written work. They can use a binder, a folder, or duotangs to organize their work before turning it in. Student preference (notebook/looseleaf/binder/folder/duotangs) for organizational purposes is up to the individual student until turning in work.

If in doubt, please wait until the first week of school to finalize your school supplies.
